SENIORS INSIGHT

wyongnationalseniors.org.au

Tuesday, September 26, 2017

With the AGM now over for another year I am pleased to report we have all positions filled and the Committee met on Tuesday last week to set the scene for this year. Judy has returned to the Social scene and has started on her plans for the next twelve months. We look forward to hearing from her at to-day's meeting.

Our Treasurer has now finalised the Financial Reporting process and we can expect an effective system which will enable us to monitor income, expenditure, and account balances. The Committee is investigating utilising funds for the overall benefit of our members.

During September you should have received in the mail a new look magazine, "50 Something" from National Seniors Head Office. It is worth reading as the new Editor Lynda Schekoske has put a lot of thought into the publication.

Your Committee is working hard to ensure you will have opportunities to socialise with your fellow members and hear from quality speakers at our monthly meetings. Please make the time to be part of these functions coming up.

Unfortunately, I have recently learnt of a number of our members who are not at all well with the flu bug. I hope that it will not be too long before you are out and about again.

Kevin Leslie

President
