

GENERAL MEETING
Tuesday, November 27, 2018

This is our last Meeting for 2018. As I look back on the year we have experienced some very good speakers, very interesting social events, old members have moved on and we have gained a few new members, but not as many as we would have liked. Membership of Community Groups is becoming a key issue as we get older and the younger people appear to have other interests. Nevertheless, I ask all our members to assist in encouraging new people to our Branch.

National Seniors has recently been very active in promoting membership with an increased number of advertisements across print, radio and on line. They are looking at Loyalty Programs to reward long term members for their support. Other initiatives have been a Brand Refresh for Documentation, Call Centre Update and a New Member Engagement Program. There will be copies of the documentation available at our meeting for those members who do not have access to computers.

To-day promises to be a presentation on a subject which should generate a lot of interest. Sqn Ldr Phillip Frawley has recently retired from the RAAF after 49 years service. He has had considerable exposure to the Fighter World.

I look forward to seeing many of you at our Christmas Function "Aunt Molly's Christmas Crackers" at the Wyong Golf Club on the 5th December. The Social Program for next year is well underway. I would like to see many of our members support the Committee and ease the workload by volunteering at the events.

On behalf of the Committee I wish all our members and their families a very happy Christmas and good health for the New Year.

Kevin Leslie, President
