

GENERAL MEETING

Tuesday, March 26, 2019

As we are now in Autumn and hopefully cooler weather, I am looking forward to getting about more and I hope all of you are seeking to do the same. Your Committee is disappointed that nobody has come forward to accept the role of Event Co-ordinator. In the meantime, I am grateful for those Committee Members who have elected to share the workload and progress our social functions to August. Our social future is in jeopardy without your support.
